

Halton District School Board

A new Director was appointed October 1, 2015 followed by a new Associate Director December 1 and a new Executive Officer of Human resources January 1, 2016 and two new Superintendents February 1.

The senior team also had 4 SOs with only one year in the job.

The Innovation funding was used to provide a retreat to examine portfolios and planning strategic direction for a multi-year plan.

As well, a team of five attended schools in Austin, Texas, and brought findings to the operations team after the trip.

Three members of the senior team are attending ISTE and will report to senior management.

All of these outcomes will be tabled for discussion as forward planning is developed throughout the year.

Stuart Miller
Director of Education
