

Controller of Facilities and Environmental Support Services

Come help us to inspire success, confidence and hope

At the Peel District School Board, we inspire success, confidence and hope in each student. Our vision is to prepare each student for a successful future as a lifelong learner. We are the second largest school board in Canada, with over 154,000 students in 256 schools. Our collective daily efforts make a positive difference in the lives of our students, their families and the world, as we serve the vibrant and diverse communities of Peel – Brampton, Caledon and Mississauga.

An innovate leader with outstanding interpersonal skills, you will join our dynamic senior leadership team and support decision-making through the development of authentic relationships, consultation and consensus-building. You have a demonstrated commitment to equity of access and opportunity for students and staff to learn, work and grow.

Reporting to the Associate Director, Operational Support Services, you will lead a service-oriented team responsible for the management and supervision of over 1,300 employees. As Controller of Facilities and Environmental Support Services, you will be responsible for custodial services; facilities maintenance, renewal and renovations; energy efficiency and conservation programs; joint use agreements; waste management and recycling programs; and environmental initiatives, compliance and eco-schools. You will support the day-to-day activities of the Facilities Services and Maintenance Service departments, along with setting overall goals and objectives and approving major initiatives. As Controller, you will also work proactively as a member of the board's senior administrative team to develop and implement strategic plans in support of the board's Plan for Student Success.

To be considered for this key mandate, you must have a track record of success that includes:

- several years of experience in a senior position, preferably in a school board facilities management environment
- excellent communication skills and highly developed leadership skills to work in a consultative and consensus-building environment
- strong interpersonal and team-building skills
- experience in a large, unionized environment
- a university degree in business and/or engineering/technology (an asset)
- a supervisory officer certificate (an asset).

The Peel District School Board offers a competitive salary at the senior level, an excellent benefit package and a challenging work environment.

Interested, qualified candidates should complete the application package available at www.peelschools.org/jobs/jobpostings. Please return completed applications electronically no later than **4:00 p.m.** on **Friday, December 15, 2017** to **Jaspal Gill** at jaspal.gill@peelsb.com.

We appreciate the interest of all applicants, but will only be interviewing selected candidates. For the safety of students, all school board staff need to provide a satisfactory criminal record check prior to the commencement of employment.

The Peel District School Board is committed to equity in employment. We will provide reasonable accommodation, based on any of the Human Rights protected grounds, during the hiring process if advised in advance.
