**The Ministry of Education's Teaching Policy and Standards Branch** offers an opportunity that will appeal to education professionals with sound knowledge and demonstrated experience in strategies that promote teaching excellence. Your focus will be on professional learning for new teachers (New Teacher Induction Program), advanced professional learning for experienced teachers (Teacher Learning and Leadership Program), oversight of policies and supports related to the Teacher Performance Appraisal system and teacher hiring and assignment practices.

### **Qualifications:**

Member in good standing with the Ontario College of Teachers. Thorough knowledge of Ontario educational system with proven leadership in elementary and/or secondary schools and experience working in school board settings. Comprehensive knowledge and understanding of teacher-related education legislation, regulations and policy directions including teacher professional learning and expertise in formal and informal leadership capacity building with a view to supporting key provincial priorities.

Strong oral and written communication skills. Proven project management, team leadership and administration abilities to produce high quality results.

*Note: This position may only be held by a current, full-time, employee of an Ontario school board or the Ontario College of Teachers. The successful candidate will be required to negotiate an approved leave of absence from their board or College. While on contract with the Ministry the successful candidate will continue to be covered by the benefit plans and pension plan of their home board or the College, with the Ministry covering the employer costs of maintaining such coverage. Moving and relocation costs will not be covered by the Ministry.*

**Applications must be received by the end of the closing date.**
